Let the word be given: **CREATION** is returning to PHILADELPHIA and we're rolling out the red carpet for YOU! We have a jam packed weekend of exciting entertainments planned and three very special guest celebrities. This multi-media weekend will cover **DOCTOR WHO**, **STAR TREK**, **COMIC BOOKS** and **SCIENCE FICTION FILMS** and we hope you'll take the time to check out what the weekend has to offer:

The dates to remember are **NOVEMBER 9** and **10** and the place is **THE CENTRE HOTEL**, 1725 KENNEDY BLVD in Center City, Philadelphia. The times are 11 AM to 7 PM daily. Here's a rundown on some of what is tentatively set:

## GUESTS!

**CREATION CONVENTIONS** always offer the chance to get to know the professionals within our fields of interest and this time we are quite pleased to be welcoming three unique personalities that have proved to be exceptionally popular with audiences. Each will be with us both days to speak, answer questions and sign autographs...

**NICHOLAS COURTNEY:** in the world of **DOCTOR WHO**, this talented actor really holds a very distinguished place: he's the only performer to appear with all five of the first Five Doctors and plans are afoot to have him back with the newest Doctor, **COLIN BAKER**. Of course Whovians worldwide know Nicholas as the fantastic **BRIGADIER** and in person, Nick has tons of tales to tell we know you'll enjoy hearing.

**NICHELLE NICHOLS:** **STAR TREK** fans have been thrilled to learn that progress is being made and **STAR TREK FOUR** is just about ready to begin shooting. The lovely and dynamic lady who has portrayed **UHURA** for close to 20 incredible years is our special **STAR TREK** celebrity guest this time and she'll knock your socks off with her stories, singing and discussions of her work with NASA and the Space Program. Nichelle will also be seen soon in her starring role in the feature film **THE SUPERNATURAL**.

**CHRIS CLAREMONT:** **COMIC BOOK** Fans have made Chris the nation's best selling comic book writer and hundreds of thousands of loyal readers eagerly snap up his **X-MEN** and **NEW MUTANTS** stories each month. When it comes to creating and scripting comics no one does it better and to more popular acclaim than Chris and it is a treat for us to welcome Chris to Philadelphia for the first time in two years.

## DEALERS!

**THE CREATION DEALERS ROOM:** It's a bazaar of bountiful merchandise for fans: the top

dealers from around the country are bringing tons and tons of stuff for you: **DOCTOR WHO AND STAR TREK ITEMS**: T-shirts, hats, toys, dolls, games, books, magazines, fanzines, stills, slides, artwork, rare items, things imported from Europe, and on and on! **COMICS OF ALL TYPES AND AGES**: Marvels, DCs, etc. from the earliest issues to the most current not yet on the stands!
